

Environmental Policy – ISO 14001:2015

The Company has created and implemented a Management System which is based on nationally and internationally agreed principles and conforms to the requirements of BS EN 14001:2015, hereafter referred to as EMS (Environmental Management System). This system will be implemented, maintained and continually improved in accordance with the Standards and will comply with legal and with other requirements to which the organization subscribes which relate to its environmental aspects.

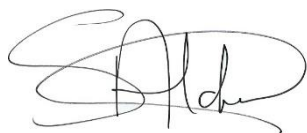

Assets & Compliance Managed Services Limited is committed to managing operations in a way that complies with all relevant environmental legislation and standards. We will ensure the availability of adequate resources to maintain and continually improve environmental performance, this includes improvement and prevention of any pollution. Assets & Compliance Managed Services Ltd aspires to promote a positive environmental culture for the benefit of current and future generations.

All management functions will comply with the Company Policy regarding the environment. All staff should perform their duties properly and in accordance with established procedures and instructions.

The Managing Director is committed to providing resources (including human resources and specialised skills, organisational infrastructure, technological, financial and physical resources) essential to the implementation and control of the Environmental Management System.

The ACMS UK, Environmental Management System will be audited annually and revised accordingly, taking into consideration changes in technology, legislation or company requirements. This policy is reviewed at intervals not exceeding 12 months and the target will be to continuously improve the Environment within the business and meet the requirements of all relevant legislation and the ISO 14001 standard. The Managing Director will ensure that not only are high standards set but that performance against these are monitored, regularly reviewed and improvement opportunities are identified.

Objectives and targets are set annually at the management review meeting and will be communicated to every employee and be available to interested parties. All policy changes will be approved by the Managing Director.
